VOLUME 1 - 2015

## TRAILS

### WALK, BIKE & ROLL ON SIMON KENTON TRAIL

Extending from Carter Avenue in Bellefontaine to Urbana, the 17 mile trail is open to walkers, runners and bicyclists. Completed in 2014, the trail follows the railroad and runs through scenic farmland, crossing streams along the way. If you are really feeling adventurous you can choose to continue on to Urbana, Springfield or even Xenia.

*Beginning of bike path at Carter Avenue in Bellefontaine*

## TRANSIT

### NOT JUST FOR THE ELDERLY

Transportation for Logan County serves many senior citizens in our steadily increasing elderly population. But did you know that they also transport employees to and from their place of work, children to school and patients to their doctor's appointments?

TLC provides general public transportation service to all citizens and visitors of Logan County within a 100 mile radius. So the next time that your car is in the shop or you tripped over your cat, sprained your ankle and can't drive - give Transportation for Logan County a call at 593-0039 and sit back and enjoy the ride.

## TRANSPORT

### Treating Patients How We Would Want Our Family Treated

Robinaugh EMS is an emergency medical service and patient transportation service; family owned and operated since 1976. With locations in Bellefontaine and Marysville, Robinaugh EMS serves the citizens of Logan, Union, Hardin, and Champaign counties in Ohio. Robinaugh EMS offers outstanding services in a professional manner while maintaining the dignity of those we serve. 937-599-2340.
